To whom it may concern,

I am writing to express my interest in an internship opportunity at Calera Capital. As a highly motivated and analytical individual with a passion for finance and investment, I am eager to contribute to your team and gain hands-on experience in the field. I am currently a senior at Ripon High School. I plan to pursue a bachelor's degree in finance from the University of Oklahoma, where I will develop a strong foundation in investment analysis, financial modeling, and risk management.

Various extracurricular activities, including ASB leadership, varsity softball, varsity football statistician, community service as Miss Ripon, and different clubs, complement my strong academic background with multiple AP classes and a 4.3 TGPA.

I am drawn to pursue a real estate development and investment career because I have always been interested in business. I have built a solid stock portfolio over the years and am looking to invest in my first properties following my high school graduation. I am eager to leverage my skills and knowledge to contribute to your team's success while learning from industry experts. My academic background, investment experiences, and passion for finance make me a strong candidate for the internship position at Calera Capital.

I would be grateful to receive the opportunity to interview with Calera Capital. Please contact me with any inquiries at (209) 481-3483 or 62808494@riponusd.net. I look forward to contributing to your team in a meaningful way and learning from your expertise. Thank you for your time and consideration.

Best regards,

Ava Brocchini
